

Internet Services Veteran Joins Government Auctions and Real Estate Foreclosures Portal GovernmentAuctions.org

Wed Nov 1, 7:00 AM ET

Great Neck, New York (PRWEB) November 1, 2006 — Cyweb Holdings Inc. announced today the appointment of Ullman as Affiliate Program Manager for the company's GovernmentAuctions.org® web site.

A former National Manager of AT&T's Internet Services Division, Mr. Ullman most recently held the reins as Presid Network Systems, the Bohemia, NY developer of the Mail Sentry managed email system.

His primary function will be to manage the company's rapidly growing Affiliate Program, which allows publishers and providers to earn income by linking and referring memberships to Cyweb's GovernmentAuctions.org web site. GovernmentAuctions.org is the Internet's leading portal for bargain hunters seeking real estate foreclosures and surplus inventory sold by the government.

"Our Affiliate Partner Program has garnered such strong interest from web site publishers that we wanted to provide Partners with dedicated, world-class resources," says Cyweb Holdings VP Michael Pesochinsky. "Bringing Michael aboard insures that our Program will have top-notch management, and shows our Partners how seriously we take success."

Mr. Ullman brings with him over 20 years of management experience in the industry. A veteran of the early "pioneer the Internet, he has developed an intuitive sense for success.

"The competition for Affiliates has become fierce. By us providing timely payments, dedicated program management support, and a simple, profitable commission structure, our Affiliates know they can use GovernmentAuctions.org as a profit generator," says Mr. Ullman.

About GovernmentAuctions.org®

GovernmentAuctions.org (<http://www.governmentauctions.org>) is a membership-based web site for bargain hunters. Its users find and participate in government auctions of seized and surplus property. It also provides its members access to its nationwide database of real estate foreclosure listings across the United States.
